*The Boys & Girls Club Needs Your Help!*

*Every summer, more than 300 children attend summer camp at the two Boys and Girls Club locations in Madison. They play sports, do crafts, learn job skills and develop their math and reading skills in a safe and encouraging environment.*

To get ready for these young minds, we need your help! We need carpenters, gardeners, painters and friends to join us on Saturday, April 30th at both Boys & Girls Club locations as we build park benches, paint walls, plant flowers, rebuild a playground, create a community garden, and create an environment where children can soar.
