Madison Police Dogs to Reduce Drugs in Schools

Among the strategies recommended in a proposed school safety plan for the Madison Metropolitan Schools is the use of Madison Police Department dogs to check for illegal drugs in middle and high school buildings, hallways, lockers, and storage facilities.

Provide your opinions, questions, and comments on the proposal at www.mmsd.org/dogs before Friday August 19, 2011.

A summary of community input will be provided to the Board of Education for their consideration. A Board vote on the proposal is planned for August 29, 2011.
